

HERMANTOWN

AREA CHAMBER OF COMMERCE

Membership Terms and Conditions

Your membership term is for one year from the date your application is approved.

You will be auto renewed for the next year of membership on your anniversary month.

New members who elect monthly, quarterly, or semi-annually payments will still be responsible for the entire first year of payments for their membership.

Members who elect monthly, quarterly, or semi-annual payments will have a small service charge applied to their transactions. Monthly 5%, Quarterly 4%, Semi-annual 3%. This ranges from about \$12 to \$25 additional per year depending on membership size).

Members who pay in full the annual rate will not be charged a service charge for a credit card transaction.

New Members whose invoice for a full year of membership is \$500 or more will have the option to be invoiced. All other levels have a credit/debit card requirement.

If you are a new member and decide to cancel your membership, you must do so in writing within the first 15 days of submitting your application. Your membership is for one year, EVEN if you select monthly, quarterly or semi-annual payments. By submitting your application, you are responsible for one FULL year of membership dues.

If you are a current member (one year or more) and wish to cancel your membership, you may do so at any time, however, it will be effective at the renewal date, unless the business closes or you would like to have your listing removed from the website.

Members must make payment on their dues within 60-days of the anniversary date to be considered a member in good standing. Beyond that, members may lose their directory listing, access to the member portal, and member rates and benefits until their payment is made in full.

We want to do everything we can to help make your business successful! We've created this list of terms and conditions based on our bylaws and out of operational necessity to make sure we are efficient and able to keep our annual dues affordable for members. If you have any questions at all about the above information, please reach out to your chamber team. We're happy to help!
